Calvin Center Interim Pastor Training offers the opportunity to deepen your understanding of ministry in the church during times of leadership transition.

All events begin with lunch on Monday and end on Friday at 1:00 pm.

Training sessions include 30 hours of classroom instruction with plenty of time for personal attention.

Schedule allows free time on Wednesday afternoon and evening and an informal face to face with several Presbytery Executives on Thursday afternoon.

Reflection, prayer and practice through conversations, presentations, case studies and fellowship create the space to consider your calling.
