

Do you EVER feel LIKE YOU ARE
done with all the STUFF
GOING on IN LIFE?

- **done** with school
- **done** with friends being mean
- **done** with parents misunderstanding you
- **done** with all the bad news on TV and the web
- **done** with trying to move forward or backwards

It's time to become
UNDONE

Join us for the *Middle School Fall Retreat*
at Calvin Center as we discover how God's
powerful love helps us wrestle with our
challenges and *become undone* with the
messiness of life.
